

Attack

Make an attack with a melee weapon, ranged weapon, improvised weapon or no weapon. Some features allow for multiple attacks in one action.

Cast a Spell

Cast a spell that has a casting time of 1 (or more) action(s). If another spell has been cast as a bonus action, only cantrips are allowed.

Dash

Double your speed for this turn. This is applied after modifiers.

Disengage

Your movement will not provoke opportunity attacks for the rest your turn.

Dodge

Any attacker you can see has disadvantage on attack rolls, and you have advantage on dexterity saving throws. Does not work when incapacitated or if speed is reduced to 0.

Help

Give another creature advantage on next ability check when within 5 feet of that creature. Or give a friendly creature advantage on first attack roll against a target when within 5 feet of target.

Hide

Make a stealth check to try to hide.

Ready

Use reaction to do an action. Decide on a trigger and what to do when the trigger is triggered. Spells must have a casting time of 1 action and uses concentration when readied.

Search

Try to find or locate something.

Use an Object

Use an object that requires extra time consumption to be utilised.

Improvise

Try to do anything (this is D&D after all). Will work at DM's discretion.
